

Online Benefits Management

Why Online Benefits Management?

One of the key advantages of signing-up for Avesis Online Benefits Management is the ability to receive and completely manage your vision plan billing online. This process is described by Avesis as e-billing.

With e-billing, you will never misplace a bill, miss a payment, or have any question as to the amount due to Avesis. Additionally, Benefits Managers can login and review billing information at any time.

The Advantages of Online Benefits Management

- Make eligibility changes effective instantly
- No more paper bills, editing forms, or enrollment forms
- Change member information without picking up the phone, sending e-mails, or faxing
- e-Billing is available 24/7

How to Sign-up

Go to www.dentalcareplus.com. Double-click on **administrators** in the left-hand navigational bar. Select Vision Care Plus login from the dropdown menu. Rollover **Benefits Manager** in the top toolbar on the Avesis Benefit Managers page, then select **Online Billing Sign-Up** from the dropdown menu.
